

2025 Annual Sponsorships

An annual corporate sponsorship gives your company recognition as a philanthropic leader in your community and the opportunity to address urgent needs with your investment.

All sponsor packages include recognition as a sponsor on a year-round basis, including sponsor recognition at the annual golf outing and all annual campaigns (Project Backpack, Holiday Gift Project, Duffle Bag Project), and at staff and donor signature events.

Customizable sponsor packages are available to meet your corporate social responsibility goals.
